

The procedure for the **official P.R.E Stud Book INSCRIPTION of Foals in the United States and Canada as mandated by the Spanish Ministry of Agriculture (MAPA) through LG-ANCCE** is as follows:

Step 1: Complete an International Application for Service

This one page document (in English & Spanish) lists all the services that Breeders can request for horses that are recorded in the LG Stud Book in their names at the moment of application submission. Therefore, prior to any request, it is vital that all Breeders have submitted their “ *First Inital Farm Report* “ and that this has been processed at the USPRE LG Processing office, and that the ownership of the horses has been proven by means of the appropriate documents. When completing the International Application for Service, it is extremely critical that Breeders fill in ALL of the sections.

The Service Code for Incriptions is 103

The application for Inscription must be completed and submitted by the foal owner, who, should he/she not coincide with the name of the broodmare Owner, must provide valid proof of ownersgop of the foal being registered, plus the original Breeding Certificate, which should have been supplied at the time of the purchase. The Breeder name appearing in the documents and on the Inscription will be the Owner of the broodmare at the time of birth.

Once completed by the Breeder, this International Application for Service must be presented to you, Always accompanied by a Photocopy of the Breeding/Birth Certificate. The presentation of the Breeding/Birth Certificate is essential to the Inscription process.

Step 2. Send the completed Inscription documents to the Stud Book affiliate office in Wellington, Florida

You must send all the correct information relating to the Incriptions that have been request to the Std Book processing center in Wellington. Florida. In other words you will sent us the originals of the Correctly completed applications for service, together with a photocopy of each breeding certificate to the following address:

USPRE, 11360 Fortune Circle, Wellington, FL 33414
